

Peter Pan Pre-School & Nursery

Building an Educational foundation for today's children in tomorrow's world

Pricing Policy

It is our intention is to provide affordable childcare. As a charity our income comes from fees and funding or through donations, grants and fundraisers. We use our income towards the education and development of the children and therefore we must apply charges appropriately to ensure the best provisions are in place.

In support of our families, we offer a 10% discount to all day-all week sessions. This does not apply for funded places.

Registration

Registrations will incur a non-refundable charge of £75. This includes a £35 administration fee, and £40 deposit to hold the space and used as family credit towards invoices. Funded only places do not incur a registration fee.

Fees

Room fees are reviewed each term and can be found at the bottom of our policy document. All rooms are priced according to our hourly rate. These rates are inclusive of nappies, wipes, formula (baby and nursery only¹) and meals/snacks. Fee paying sessions are available for all children.

Wrap Around Childcare

We are also able to provide School Wraparound care for 4 to 10-year-olds, including those with who are eligible for the MoD Wraparound Childcare scheme. Our rates include meals and consumables for school wraparound sessions. More information is available on [15 and 30 hour funded childcare](#) and [MoD Wraparound childcare \(WAC\)](#).

¹ Children with allergens will require supplies from home if unable to use nursery products.

Funded Places

We offer 15 and 30 hours free² childcare for 38 weeks of the year, for all eligible 2* and 3 to 4-year-olds. We allocate funded places Monday to Friday 09.00-15.00. Adjustments can be applied on a case-by-case basis. We apply charges to funded places as follows:

Hours	Forest School	Consumables	Total per week
15	£2	£3	£5
30	£2	£5.50	£7.50

- **Forest School Subscription.** We provide a Forest School as part of our offer to enhance children's education as a charge of £2 a week. This contribution goes towards resources and training. Our sessions are planned with maximum attendance to ensure it is available to all children within the Nursery and Pre-School rooms.
- **Consumables.** To offset the costs of consumables we apply a charge. If your child accesses 30 hours of funded sessions this is £5.50 per week or 15 hours of funding at £3 per week. Nappies and wipes do not form part of our pre-school consumable charges therefore parents will need to provide these for their child if required.
- **Meals.** All children taking up a funded place have the option to have their lunches provided for the cost of £2.50 or bring their own from home. If lunches are not provided on drop off the lunch charge will be applied to the next invoice. Where funded places have been adjusted on a case-by-case basis, an additional charge of £2 will be applied for breakfast and afternoon tea.

Additional Hours above funded entitlement

Any additional hours attended outside of the funded entitlement, will be charged at our sessional rate or hourly rate if going across part of a session. These will be detailed on your invoice.

Late fees

We understand that sometimes you might be running late, however delays in collection have an impact on our staff, staffing costs and our ability to manage childcare ratios. We therefore reserve the right to apply late charges to manage the impact of late collection.

Late collection	Every 15 mins ³ late end of session	£5.00
	Every 15 minutes ³ after hours	£10.00
Late payment	Added to accounts from 11 th day of the month	£25.00

² Free childcare is not free to the provider. Funded places are supported by voluntary charges for consumables and subscriptions.
